

# Keep Abaco Beautiful! Community Adoption Program

The Ministry of Tourism and Friends of the Environment are working together to bring a new anti-littering program to Abaco. "Keep Abaco Beautiful" is a group recently formed as an affiliate of the Keep America Beautiful Program. The Keep Abaco Beautiful Program aims to increase community awareness in litter prevention, waste reduction and beautification by implementing education programs and an Adopt-a-Road Campaign. Starting in April 2007 we will be appealing to schools, community groups and businesses to become a part of the KAB program and make a difference.

One of our major efforts is to start an Adopt-a-Road Campaign. We know that many of you are already maintaining and cleaning parts of the community so we want to recognize you for it! Register your road, beach, parking lot (or whatever) and we'll have a sign posted with your groups name on it. Don't have a site yet?? We can help you select an area and will help you get started with your clean-up program. If you are interested in more details please contact Olivia Patterson at Friends of the Environment (phone: 367-2721). Ready to go? Please fill in the form below, send it to us, and we will get your adoption program started.

## Keep Abaco Beautiful Community Adoption Program

Group Name: \_\_\_\_\_  
(this is the name that will appear on your sign)

School/Company Name: \_\_\_\_\_

Contact Person: \_\_\_\_\_

Phone: \_\_\_\_\_ Fax: \_\_\_\_\_
